# RIDING GUIDELINES

1. An authorized parent/guardian **MUST** be present to receive all kindergarten students from the bus.\*
2. Be at the stop 5 minutes early for pickup and drop off. If you miss the bus, you must parent transport.
3. Not being at the stop to pick up your student three or more times could result in you needing to parent transport your student to and from school.
4. For Safety, it is not acceptable to chase or track down the bus to get your student on or off the bus.
5. **Download and use the Stopfinder app.** Stopfinder app is the primary means for knowing the schedule of your student, knowing where the bus is on the route to pickup or drop off your student, and to communicate with Transportation Department. (follow directions sent in email invitation to sign up and activate the Stopfinder App).

\*An authorized person would be anyone listed on the *Transportation Release Form*. Please make sure that you list anyone you would like to be authorized by your student's school.

**Exception:** For exceptions you must contact either the Transportation Department or the school. Notification will be provided to the bus driver to authorize someone other than those listed as an emergency contact to receive the student. The note must include the name of the student, the name of the person authorized to receive the student, the time frame of this person's authorization and be signed and dated by a parent/guardian. In an abundance of caution drivers may ask for verification of identification, please make sure that person brings photo identification with them when picking up the student.
